

Uniform Guidelines

The aim at Bairnsdale Christian Community School is to have the students present themselves in an acceptable and pleasing manner. Complete correct uniform is expected to be worn at all times whilst attending School. This standard will be expected whilst travelling to and from School or while at any event outside the school where the School is being represented.

Correct Uniform

Students should wear the full uniform every day. The only exception is on sports day when students can wear the sports uniform. If for any reason students cannot comply with uniform requirements, an explanatory note from the parent/guardian must be provided and given to their teacher. This applies to both school uniform and sports uniform.

All articles of clothing are to be clearly identified with the student's name.
